GELISH SOAK-OFF GEL SYSTEM

GEL PRO BRUSH #5 REVEAL PRO 5 Brush is size 5 square bristle brush made with natural kolinsky hair designed for a firm yet smooth application. This well balanced brush is light weight, compact for easy performance. REVEAL Pro 5 Brush has a retractable self sealing ferrule that is designed to prohibit UV light from curing gel in the brush.

Item Code:

19-3000

STRUCTURE / Clear Gel

GELISH STRUCTURE Gel has the molecular structure that creates a thicker viscosity soak off gel for reinforcing strength, enhancing the nail or repairing a damaged nail plate. The STRUCTURE Gel is a soak off gel product that can quickly be removed with Soak Off Gel Remover. GELISH STRUCTURE cures in 30 seconds in a LED Light or 2 minutes in a UV Light.

Available in:

15ml (15g) - 1/2oz

Item Code:

19-4014

FOUNDATION / Base Gel

GELISH FOUNDATION Gel creates the adhesive bond between the nail plate and gel products. This product secures adhesion while not damaging the natural nail plate. FOUNDATION will work with Hand & Nail Harmony GELISH products as a base for GELISH STRUCTURE or GELISH Soak Off Gel Polish. GELISH FOUNDATION cures in 10 seconds in a LED Light or 30 seconds in a UV Light.

Available in:

15ml - 1/2oz

Item Code:

19-4010

TOP-IT-OFF / Sealer

GELISH TOP IT OFF Gel is a sealer top gel designed to create the ultimate finish with your GELISH Soak Off Gel Polish. TOP IT OFF creates a high shine that will not dull, chip or peel from the GELISH Soak Off Gel Polish. TOP IT OFF is a soak off gel product that can quickly be removed with Soak Off Gel Remover. GELISH TOP IT OFF cures in 30 seconds in a LED Light or 2 minutes in a UV Light.

Available in:

15ml - 1/2oz

Item Code:

19-4012

GELISH CLEANSER

GELISH Cleanser is designed special formulated to work with GELISH TOP IT OFF. Gelish Cleanser will assure a high shine finish without any tacky residue or without drying to the skin.

Available in:

120ml - 4oz

480ml - 16oz

Item Code:

19-3505

19-3510

SOAK OFF GEL REMOVER

GELISH Soak Off Gel remover is designed to remove GELISH Soak Off Gel Polish in minutes. Soak Off Gel Remover has conditioning additives that keep the skin from drying and maintain a healthy nail. GELISH Soak Off Gel Remover will remove the Soak Off Gel Polish with proper application in 10 minutes or less.

Available in:

120ml - 4oz

480ml - 16oz

Item Code:

19-4018

19-4017

New from Hand & Nail Harmony comes Gelish Color Gels. The gels apply like polish, with twist cap and applicator, but are cured in a lamp like gels. The gels come in an array of colors, and cure in a LED lamp in 30 seconds and in two minutes in traditional UV lamps. Gelish stays on nails for three weeks with no chipping or peeling, and soak completely off in only 15 minutes.

GELISH SOAK-OFF GEL STEP BY STEP DEMO

Steps:

1. Sanitize, prep, and push back cuticles. Then wipe with Hand and Nail Harmony Cleanser using a lint-free wipe. Apply Hand & Nail Harmony PH Bond.
2. Apply Gelish Foundation Gel in a thin application and seal the edge of the nail.
3. Place hand in the LED light for 10 seconds or 1 minute in a UV light.
4. Lightly remove residue from the nail with a clean gel brush.
5. Apply Gelish color of choice in a thin application from cuticle to free edge. Be sure to seal the edges of the nail.
6. Place hand in LED light for 30 seconds or 2 minutes in a UV lamp. For darker coverage repeat steps 5 and 6.
7. Apply Gelish Top It Off Top Coat Sealer from cuticle to free edge using a light application.
8. Place hand in the LED light for 30 seconds or 2 minutes in a UV light.
9. Wipe off the Tacky layer with Hand & Nail Harmony Cleanser.

Cure Time:

HARMONY GELISH	LED LIGHT	UV LIGHT
FOUNDATION GEL	10 SECONDS	1 MINUTE
STRUCTURE GEL	30 SECONDS	2 MINUTES
TOP IT OFF GEL	20-30 SECONDS	2 MINUTES
COLORS	20-30 SECONDS	2 MINUTES

* Recommended curing times are based on a 36-watt UV Lamp. Increase cure times if using other lamps.
